PIONEER OF COMSTOCK DIES THIS MORNING

CHARLES McCaffrey succumbs to illness while visiting relatives

Charles McCaffrey, a pioneer of Nevada, who has been ill with pneumonia for the past week, passed away at the Miners' hospital at an early hour this morning. McCaffrey arrived from Virginia City but a week ago for the purpose of visiting relatives and shortly after his arrival he was taken ill. For several days his condition was not deemed critical, although the best of medical attention was procured. Immediately on taking a turn for the worse he was removed to the Miners' hospital. Yesterday his condition was such that grave alarm was felt for his recovery and last night he started sinking. The end came about 2 o'clock this morning.

The deceased had resided on the Comstock for the last 25 years and was widely known throughout the state. He was aged 65 years and was a native of Ireland. He is survived by two sons and three daughters, Patrick McCaffrey, Johnnie McCaffrey of Tonopah, Mrs. James W. Conlisk of Tonopah, Miss Rose McCaffrey of Reno and Mrs. E. E. Cerf of New York. Miss McCaffrey arrived from Reno this morning.

The remains will be taken to Virginia City Thursday for interment, the body to be placed in the family plot beside that of the wife and mother, who passed away several years ago.

MINE SURVEYOR WEDS AND DIES IN FEW HOURS

BRIDE OF 36 HOURS, MISS DAISY HASKELL OF RENO, TAKING BODY EAST FOR BURIAL

Early last Thursday evening the news came flashing over the wires to friends here that Miss Daisy Maud Haskell, well known as the drawing teacher in the Reno public schools, had been wedded to John D. Hollis, a mining surveyor formerly of this city, in Los Angeles. Thirty-six hours later, over the same wires, came word of Mr. Hollis' death. He had succumbed to a serious stomach trouble with which he had been suffering but a few days before his wedding.

Mr. Hollis was one of the best known of the younger set of men in Reno. He was for a number of years connected with the United States land office with headquarters in Reno. Later he went to New Mexico and then moved to Los Angeles where he has relatives at 699 South Hill street. He was a member of Reno blue lodge, A. F. & A. M.—Reno Gazette.

PLASTS DRIVE DUCKS FROM PYRAMID GROUND.

RENO, Nov. 5.—That all the ducks and geese have been driven away from Pyramid lake by the continual blasting of construction crews working on the Fernley-Lassen branch of the Southern Pacific company is the statement made in this city yesterday by Captain Dave, chief of the Pute tribe of Indians.

Captain Dave says that the Indians have found it almost impossible of late to kill any ducks. He states, however, that the fishing is better in the lake at the present time than ever before at this season of the year.

FAMOUS LEDGE IS CUT BY THE ZARA COMPANY

OPERATORS AT HORNSILVER HAVE GOOD PROSPECT IN CENTER OF DISTRICT

On the property of the Zara Gold Mining company, situated at Hornsilver and adjoining the famous Helen vein, an incline shaft is being sunk on the extension of the main Helen vein, which was picked up 250 feet from the dividing end line of the Zara and Helen properties, says the Tribune. The shaft is now down 65 feet on the vein and for a width of four feet mine samples have been yielding an average around \$150 per ton. Sinking will be continued to a depth of 100 feet without interruption when a gasoline hoist, for the purpose of which arrangements have been completed, will be installed.

The Helen vein has produced some exceedingly rich ore from a point near the end line of the Zara ground and it is regarded as one of the best veins in the entire district, which has a number of ledges of good promise. J. K. Turner, consulting engineer for the Zara company, has been to the camp and is well pleased with the outlook on this ground. Superintendent Charles O'Daniels has four men helping him in sinking the shaft and is making good progress with the work.

ALL OFFICES AT COURT HOUSE CLOSED TODAY

ELECTION WORKERS ARE ON THE STREETS EARLY AND BIG VOTE PREDICTED

All offices at the court house were closed today, owing to the election. The same condition of affairs existed in the township offices. The local banks were likewise closed.

The election, while quiet in ordinary ways, created interest as the day passed. Owing to the weather being ideal the voting was steady at all hours. Over 300 votes had been cast before 9 o'clock this morning. The candidates and their supporters were out early and it was a rare occurrence to see a voter visit the polls unless he had been subjected to the button-holing process at least a half dozen times before being allowed to cast his ballot.
